

Teresa von Sommaruga Howard
.... Making Space for new Possibilities

1 March 2016

To whom it may concern: Galabina Tarashoeva

I have known 'Gabi' for 4 years as a board member of the International Association for Group Psychotherapy and Group Processes. I am a member of the Executive and the organisation's treasurer. I was also present when she heard that her partner had died suddenly while we were in China.

Recently she has been working on revising the organisation's bylaws. This is an enormous and time-consuming piece of work, which she has taken on with colleagues, working diligently within a time- limited period.

I find Gabi is a person with enormous courage and integrity. She is also a person who can be relied upon to do what she says she will do and to notice and speak up about issues that others want to ignore.

Yours faithfully,

Teresa Howard
